

# Weekly Learning Challenge

*Improve your language skills with a series of engaging activities.*

## Activity 1: Read the Articles

**\*\*Instructions:\*\***

1. Select two articles on topics that interest you (e.g., technology, health, or culture).
2. Read each article carefully.

**\*\*Reflection Questions:\*\***

- What was the main idea of each article?
- List three new words you learned and their meanings.

**\*Write your answers below:\***

## Activity 2: Practice Listening

**\*\*Instructions:\*\***

1. Listen to a podcast or a news report of your choice.
2. Note down key points and unfamiliar phrases.

**\*\*Questions:\*\***

- What was the topic of the audio?
- Mention any challenges you faced while listening.

**\*Write your observations here:\***

## Activity 3: Practice Reading

**\*\*Instructions:\*\***

1. Choose a short story or a blog post in your target language.
2. Read it aloud twice.

**\*\*Tasks:\*\***

- Highlight sentences where pronunciation felt difficult.
- Identify the tone or mood of the text.

**\*Space for notes:\***

## Activity 4: Analyze Listening and Reading

**\*\*Instructions:\*\***

1. Compare the podcast/news report (Activity 2) with the article or story you

read (Activities 1 & 3).

2. Identify similarities and differences in content, tone, and vocabulary.

**\*\*Analysis:\*\***

- How did the style differ between spoken and written formats?
- What themes were common?

**\*Write your analysis below:\***

## **Activity 5: Reading a Book**

**\*\*Instructions:\*\***

1. Select a book you've been meaning to read.
2. Read at least two chapters and summarize them.

**\*\*Reflection:\*\***

- Share the main theme of the book so far.
- How does it compare to the articles or stories you've read this week?

**\*Summarize your chapters and reflections here:\***
